

Brustor Preferred List

Below is an overview of all the colours in the Brustor Preferred List.

This is a dynamic list and it will be updated regularly. The latest version can always be downloaded via MyBillie

Brustor NV maintains the right to make changes to this list.

When ordering, please always state the RAL colour and powder code. If the customer does not specify a specific powder code, Brustor NV will lacquer the order with the powder code from the Brustor preferred list. Color deviations caused by this are not the responsibility of Brustor NV.
